

Warranties

Standard tarp:

2 years limited warranty against manufacturing defects.*

Lifetime warranty for spure brass grommets.

Industrial-grade tarp:

5 years limited warranty against manufacturing defects.*

Manufacturing defects would be noticeable when installing the car shelter.

Check your car shelter once it is up for any defects.

Our tarps meet the BNQ 3910 700 standard for tear resistance, tensile strength, UV protection and lamination strength.

This warranty does not apply to damage due to snow or ice accumulation, extreme wind, prolonged sun exposure (summer), wear caused by structural modifications or additions, rubbing against the ground, non-compliance with Tempo installation and safety guidelines, negligence, improper storage (the tarp must be dry and clean at the time of storage) and unforeseeable circumstances. Transportation, installation and dismantling fees shall be incurred by the consumer.

Water infiltration through the seams is not deemed a manufacturing defect.

Frame:

10 years limited warranty against manufacturing defects.

This warranty does not apply to damage or collapse due to snow or ice accumulation, extreme wind, structural modifications or additions other than genuine Tempo parts, non-compliance with Tempo installation and safety guidelines, and unforeseeable circumstances. Transportation, installation and dismantling fees shall be incurred by the consumer.

After inspection, should Tempo conclude its product has a manufacturing defect, it shall be repaired or replaced at Abris Tempo's sole discretion.

* Handling fees apply as of year 2.
